

# WAKE UP!

Time to awaken from your slumber, people. Ask yourselves the following questions:

- How did the annual seasonal flu disappear and get replaced by Covid?
- If the PCR tests work, why the false positives?
- If the masks work, why 6 feet of social distancing?
- If the 6 feet works, why the masks?
- If all 3 work, why the lockdowns?
- If all 4 work, why the experimental vaccines?
- If the vaccines work, why do the pharmaceutical companies have no liability clauses?

So we know the answer to all this. It was never about our health. In reality, this was about: the redistribution of our wealth, depriving us of more of our civil liberties and freedoms, including freedom of speech and movement, and the introduction of biometric IDs and Central Bank Digital Currency (CBDC). Biometric IDs and CBDCs put you at the mercy of the administrative state. Step out of line the state can deny you access to your own money and your ability to control your own life. Just like China's social credit system. And there's a part of you that knows that. Because if you are seriously considering: covering your face again, getting yourself tested again, having another lockdown that you consent to, or submitting yourself to another experimental vaccine . . . well, I'm afraid my friend that you might be beyond help. It's time to wake up, folks. Time now.

This is not the Canada you grew up in. These things never happened to Canadians before. So why are they necessary now? Answer: They are not. It's time to take a stand against government coercion, propaganda and outright lies. If you are still watching the news on CBC, CTV and Global News, it's time to turn the TV off. The legacy media are accepting government subsidy money, so they tell you what the government tells them to tell you. They have ceased to be impartial purveyors of the truth and can no longer be trusted. The Canada you lived in through the 1950s, '60s, '70s and '80s no longer exists, so stop pretending that it does. Don't lie to yourself.

I know what you are thinking: "*This is a conspiracy theory.*" But in the 1920s and 1930s Dietrich Bonhoeffer, a German Lutheran pastor warned his fellow Germans about the dangers of Adolf Hitler and the Nazis. Most Germans did not believe him. They said he was blowing matters all out of proportion. Look where that got us. And the Nazis hanged Bonhoeffer. Future British PM Sir Winston Churchill gave the same warning, for which they labelled him a warmonger. Totalitarian governments do not pop into existence overnight, no, they develop over time. We are witnessing a recurrence of very similar events in our own time. Eventually, Germans realized Bonhoeffer was right. By then it was too late. Let's not make the same mistake again. It can happen again. Here.

But don't take my word for it. Research the following: United Nations Agenda 2030, Klaus Schwab & the World Economic Forum, The Great Reset, Build Back Better, The New World Order, The Fourth Industrial Revolution, 15-minute cities, you will own nothing and be happy, you will eat bugs.

Klaus Schwab claims he controls PM Justin Trudeau and half his cabinet (in his own words, "I haf penetrated ze cabinet of PM Trudeau."). Trudeau himself declared he admires China for "its basic dictatorship." Shocking. Trudeau is not your friend. What more proof do you need?

Time is slipping away. **WAKE UP. DO NOT COMPLY!**
