

If you are pregnant and they tell you not to smoke, or drink alcohol, or take drugs because that can harm your fetus BUT they tell you to take the mRNA COVID-19 vaccine product because it is “safe and effective” kindly and firmly tell them:

#IDONOTCOMPLY

Tell them you are NOT a human pincushion

and they can stick that shot where the sun doesn't shine!

Tell them where they can learn how the COVID-19 mRNA shot/booster is NOT a vaccine, does NOT confer immunity and is NOT SAFE in pregnancy.

Start here: <https://www.canadiancovidcarealliance.org/?s=pregnancy>
